

LISMORE DISCOVERY TRAIL

INVITATION

MONDAY 19 OCTOBER 2015

You are invited to a celebration of the installation of our new footbridge across Browns Waterholes, a key component of the Lismore Discovery Trail project. Now that the bridge is in place we need your advice on the final stages.

Have we got the route right?

What aspects of Lismore should be featured?

What is the best way to do that?

Drop in and check out the new footbridge, meet with our landscape architect Mark Frisby on-site, and tell us what you think, any time between 11 am and 6 pm on Monday 19 October 2015.

Free community barbeque from 12 noon to 2 pm. 'Unofficial' bridge opening at 1 pm.
