SOLAR & BATTERIES

MAKE THE MOST OF GENEROUS GOVERNMENT REBATES

Take Control of your energy with solar.

Installing solar panels is one of the smartest investments you can make for your home. Solar helps reduce your electricity bills, increase property value, and protect you from rising energy costs. Right now you may be eligible for generous government rebates, making it even more affordable to make the switch. These incentives, combined with ongoing savings, mean your system can pay for itself in a few years.

Thinking about batteries for your home?

Now is the ideal time to take control of your energy use. Generous rebates on home battery systems. As a local resident of the Corangamite Shire, John understands the needs of our community. Reach out today for a personalised consultation and discover battery setup can work for your home.

Lismore Swimming Pool.

We're proud to announce that we will be installing a solar system at Lismore Swimming Pool in the coming months.

This upgrade will help reduce energy costs, lower carbon emissions and support a cleaner, greener future.

It's a step towards sustainability that benefits the entire community – both environmentally and economically.

Lismore Rec Reserve Committee Goes Digital with New Scoreboard

We're excited to announce that Lismore Recreation Reserve has stepped into the digital age with the installation of a brand-new electronic scoreboard! The project has been completed just in time for the first Lismore home game of the season on **Friday, 5th July**.

A huge thank you goes to the **GPG** and **Berrybank Windfarm** for generously funding the purchase and installation of this fantastic new asset. It will be used for both football and cricket and is a welcome addition to our community grounds.

Special thanks also go to **Chris "Digger" Turner**, **Neil Brown**, and the dedicated members of the footy club who volunteered their time and skills to install the scoreboard. Your efforts are greatly appreciated by the whole community.

We'd also like to extend a **very big thank you to Jamie and Paula Atkins** who selflessly volunteer their time each year to clean all the windows of the Social Rooms before the season moves to Lismore. It's a big job, and we are so grateful for your continued support. Jamie and Paula run **South West Pure Clean** in Camperdown — if you're in need of a window cleaner, be sure to support this local business that supports our club!

Disappointing News

Unfortunately, the Social Rooms were broken into again last week, causing damage and loss that costs our clubs dearly. These facilities are run by volunteers and rely on community support, making this especially disheartening. **Security cameras are now fully operational**, and all information has been passed to police.

Lismore Rec Reserve Committee members
Barb Niblett(far left) and Shari McConachy(far
right) meet with GPG's
Jamie and Benn
to see the new digital scoreboard
