Stay safe this fire season

Prepare now to ensure you and your loved ones are ready in an emergency situation.

We have plans in place to protect our water supplies during a bushfire, but these emergencies can put the system under extreme loads. If our facilities or equipment is damaged, we can't guarantee regular water pressure or a continual water supply.

Help reduce the impact by preparing a fire plan that includes:

Have an independent water supply, so you don't need to rely on mains water.

Turn off any sprinklers or taps that are connected to town water if leaving your property.

Find out more at wannonwater.com.au/preparing-for-bushfires/

Not what we give,
but what we share.

Poorpa YanYeen Meerreeng Trail, the 19 km walking and cycling trail connecting the Camperdown Timboon Rail Trail to the Port Campbell Town Centre is now open, thanks to funding from the State Government and the Corangamite Shire. Council has launched a website – poorpa-yanyeen-meerreeng-trail.com.au – which features information on all walks, trails, routes, and rides across the Shire.

After a busy off-season, the Committee and club members of Mid-Western Speedway Darlington are revving up for the first race meeting of the season on November 22nd.

Locals will notice all the work put in by our Committee members and wonderful volunteers, with a new pit office, renovations to our judges box, improvements to our roadside signage and a fresh coat of paint around the facility, all reflecting our commitment to create a welcoming and professional space for racers and fans alike! Perhaps most exciting of all, Mid-Western Speedway is now home to a new Quarter Midget track to facilitate racing of Quarter Midgets driven by children and young people aged 5-16 years, offering a safe and exciting entry point into racing.

Finally, Mid-Western Speedway Darlington are welcoming new members and volunteers to the club – whether you are a motorsport enthusiast or simply want to support a vibrant, family-friendly club, your involvement makes all the difference! Follow our page on Facebook to keep up to date on club events and the race calendar.
