Light Up The Night

"Our Community"

The artwork provided an opportunity for the students to build on their understanding of connection by allowing them to move from connection to self → connection to others → connection to community.

"Gratitude tree"

The gratitude tree demonstrates how creative activities can provide children with a meaningful way to communicate, connect, reflect and recognise strengths in themselves, others, and the community.

On Saturday 3rd of October, the Lismore community came together to connect as a part of 'Light Up the Night.' Lismore Primary School created this front cover and printed it in colour as a special contribution to their community. Students and staff helped out on the night and walked away feeling very proud to belong to such an amazing community!

STRONG FOUNDATIONS Bright Futures!

At Lismore Primary School, our structured and evidence-based programs ensure every student is supported to learn, grow and thrive every day.

Small school. Big opportunities.

CORE LITERACY F-2

Our daily Core Literacy program includes:

- 30 MINUTES** of Synthetic Phonics via the teaching of Sounds Write
- 10 MINUTES** of reading fluency daily with reading partners and teacher 1:1 for each individual student
- 10 MINUTES** of structured explicit teaching of letter formation and handwriting
- 10 MINUTES** of practising the letter formation taught on the day

Strong readers today, successful writers tomorrow.

READING & SENTENCE LEVEL WRITING F-2

Each day the second hour of Literacy includes a book that is used across days and sometimes weeks as a readers focus.

Quality books. Deep learning.

During this hour we:

- Read the book or part of the book together
- Focus on vocabulary drawn from the pages we are reading
- Build strong comprehension of the story
- Develop confidence in reading and sentence level writing

Great books inspire great learners.

NUMERACY F-1, 2/3/4 AND 5/6

10 MIN REVIEW: Drawing on the lesson sequence, 5 days before, week before and month before.

Aligns with research around cognitive load theory and connecting short term memory into long term memory.

CONCEPT DEVELOPMENT: Formal explicit teaching of the focus concept ensuring students know what they are about to learn and why.

GUIDED PRACTICE: Using mini whiteboards and hands on manipulatives.

INDIVIDUAL OR SMALL GROUP CONSOLIDATION: Students who have mastered the concept practice it and students who need more guided practice play with the teacher.

Maths makes sense. Confidence grows.

Farewell and Many Good Wishes
to Mitch, Martha and baby Mabel.

We have truly appreciated having you in our community and valued your contributions. It was wonderful to meet you around town, we felt well cared for, and heartened to see the police residence occupied and looked after.. Thank you both for your input to Lismore

Progress Association meetings

We will miss you

We wish you well in your future.

Welcome to New Residents.

Mitchell, Maddison and family have moved here from Frankston with their two canine supporters

Happy Birthday to

New Local phone book now at Lismore Newsagency
and Post Office thanks to Derri Progress Association

After almost 3 years in this wonderful community, the time has come for me to say farewell as I transfer to another area. My last day in Lismore will be the 3rd of October 2026.

Serving as your local police member has been a privilege, and I am incredibly grateful for the welcome, friendship and support that I have received from so many people in the community.

I have particularly appreciated the many conversations and interactions with local residents, businesses, community groups and organisations. Whether it was during a police matter, at a community event, or simply crossing paths around town, I have always valued each of the interactions we have had.

This is a very special place, and being able to get to know people beyond the uniform has been one of the most rewarding parts of the role. I have appreciated the conversations, the kindness, the humour, and the many occasions where people have gone out of their way to lend a hand or simply say hello. While I am looking forward to the new opportunity, I will certainly miss the people and character of this community. I leave with many good memories and a genuine appreciation for the time I have spent here. Thank you to everyone who has supported me during my time as your local police member. Please continue to take care of yourselves and each other, and I wish the entire community all the very best for the future.

I also want to reassure the community that work is currently being undertaken by Victoria Police to fill the vacancy at the Lismore Police Station as a matter of priority. Until a suitable applicant is found, the position will be filled by members from Camperdown Police Station to ensure the community continues to receive proactive policing services and support. It has been an honour to serve you.

Officer in Charge | Lismore Police Station | Victoria

Thank you to all who came along,
in the rain, and made this such a welcoming and inclusive community event.

It started out

with live music from Cr Nick and son Nick 'Pickles' Cole and finished with the most spectacular fireworks, from HD Productions, explosions to music with glowing bursts and showers of light across the misty sky.

In between we had

Captain Koala, his CFA mates and helpers. Lismore SES. Lismore Primary School Art work & Garden Stall. Plaster painting. Line Dancing. Face Painting. DLCA History Group, Glow Sticks. Lucky Dip, Raffle. Displays: Lismore Land Protection Group, Derrinallum Creatives & Garden Centre, & Murnong Garden. A hearty BBQ. Fabulous plates of main course and dessert from Full on Food. Drums with fire. Footy Club bar. A creche, wonderful company and.....Popcorn.

What more could one want? What have I left out?

Thank you to the volunteers

who did what ever was needed: Helped with traffic, mowed Showgrounds for extra parking space (Jim and, Western Plains Machinery Preservation Group), manned the BBQ, (Lismore Footy Club). Managed the fireworks area (Mitch and his local volunteer team). Informed, helped and interacted (DLCA History Group, Kevin & Louise, Derri Progress Association, Lismore Primary school students). Coordinated, set up, cleaned up, managed the creche (Lismore Progress Association members and helpers). Live music (Nick & Pickles). Line dance demo and community (Derri dance group, Line Dance sponsorship from Derri Op Shop). Raffle (Lismore Hotel, Fairway Café, Bronny). Helpers: at the venue, on the community bus from Darlington & Derri, Child Safety, fireworks photos, displays, (Declan, Arron, Sam, Noah, Murnong Indigenous Garden) and those who maintain such a perfect venue for community activity (our Recreation Reserve Committee)

Special thanks to the Shire Fire Recovery Officers

Lia Sarto and Prue Liddy and their team, who gave great support behind the scenes, including help to administer Fire Recovery Funds for the fireworks, food and face painting

Conversations with Council. Corangamite Shire community members who want to raise any matters with Council can run them by Councillors and senior staff when they visit towns during October. They will be at Derri PO Wed 21st Oct 9-10.30am. Visit the Shire website for other options. Lismore was earlier this month.

“Tell us your thoughts about what’s happening in your local community and how Council might be able to help make the most of opportunities or overcome challenges. “If you want to speak to your Ward Councillor, their contact details are at corangamite.vic.gov.au/Councillors or call the Civic Centre on 5593 7100 and get transferred to them or leave a message.” For organisational matters, residents can send a message through Council’s Facebook and Instagram pages, call Customer Service on 5593 7100 or email shire@corangamite.vic.gov.au.

Shire Roadside Slashing and Spraying has commenced and, weather permitting, will be completed by the end of October. Sixty-five Km of additional lengths of roadsides will be treated compared to last year.

Waste Wise Trailer. As community events, festivals and markets ramp up over the warmer months, Corangamite Shire Council’s free Waste Wise Event Trailer can help make light work of the clean-up.

The trailer is a practical tool that supports both event organisers and the environment.

Visit the Shire website, view Media Releases for details

On Sunday 11th October at 1.30pm, for those with an interest in family research, you are invited to the DLCA History Rooms to hear a fascinating story: **‘Finding Daisy’ presented by Amanda Larcombe.**

Foundling baby Daisy was abandoned on the doorstep of a church. At least that’s what she and her descendants had been told...

Hear and see what Amanda’s research uncovered about where baby Daisy was really abandoned and how she traced Daisy’s true biological origins.

Warning: this talk discusses child abandonment (foundlings) and historical infanticide.

When researching family history, you start with a name and a date of birth, hopefully some family relationships and a location where your person of interest was born, or lived, or died.

Amanda’s great grandmother Daisy was discovered at around 3 weeks old in 1883. She never knew her true origins or reason for abandonment but always longed to know. Her children also searched to uncover her story. 2 generations later and more than 30 years of research,

Daisy’s true biological origins are now uncovered.

A CUPPA TO FOLLOW

ALL WELCOME.

Help to Stay Fire Safe this Summer

Corangamite Shire Council is taking a proactive step to help its residents stay fire safe this spring and into summer.

Council is offering free green waste disposal at local transfer stations and Naroghid Landfill from October 12 to 25.

This offer is designed to get people active in reducing their potential fire fuel around their homes.

This is available to Corangamite Shire residential households only, with no commercial loads allowed
