

I ♥ Lismore

small artworks exhibition

Launch 4th, display until 6th November 2022

Invitation and entry form

The I ♥ Lismore small artworks exhibition is a celebration of Creativity, Environment and Community in Lismore and its surrounding districts. The weekend is inspired by the landscape's deep history, natural environment, farming and enterprise, town and country settlement and the people who live here, have spent time here or who have called in. All have contributed to Lismore. All can contribute to this celebration.

The small artworks (postcard and shoebox art) exhibition will be launched at an event on the evening of Friday 4th November and be on display in shop windows all day Saturday and Sunday morning. We invite you to support Lismore by creating an original artwork in any medium but no bigger than 13cm x 18cm (postcard) or 13cm x 18cm x 13cm (shoebox). Winning entries will be announced at the Friday launch. The entry form and artwork label are below; entry details are over the page. Please take time to read them carefully. We look forward to your entries!
