### Tackling local crime

The increased police presence is valued, as is the recovery of property and arrests. The community can further assist by being vigilant. Take note of unusual activities, such as people wandering on property or suspected drug dealing (people frequently coming and going from a house or vehicle). Community members can also install cameras or spotlights for extra security.

It is crucial to report incidents to the police. You can report anonymously to Crime Stoppers, phone our local officers, or contact 000 in an emergency.

**Let's keep Lismore safe!**

## CONDOLENCES

Lismore and district communities send sincere condolences to the families of Jan and Maree. They are both remembered for their active participation in our local community. Our thoughts are with you.

### Maree Antoinette Mathews

Maree Antoinette Mathews (Wallis) passed away on April 30 aged 74 years. Beloved wife to Kevin, mother to Fiona, Jennifer and Amy. Kevin, Maree and family farmed at Berrybank.

### Janice Cheeseman

Janice 'Jan' Cheeseman, beloved wife of Lloyd, loving mother of Darren, Matthew and Andrew. Lloyd, Jan and family farmed at Mingay.

### "What's Hot in the Op Shop" Fashion Show

Timboon students are preparing to join senior residents on a trip down memory lane – or the memory catwalk.

"What's Hot in the Op Shop" is a fashion show organised by Timboon P-12 Student Representative Council, Timboon Opportunity Shop (TOPS) and Corangamite Shire Council's Youth and Ageing and Positive Inclusion teams.

The event, at Timboon Senior Citizen Centre on Thursday 22 May, recognises the contributions of the 30 TOPS volunteers during Volunteer Week.

TOPS Coordinator Brenda Parfett said the Op Shop would supply clothes and models. The Year 9 and 10 Textiles class will also model a garment they have modified from the op shop.

Student Engagement Leader Kate Miller said: "I see this as an excellent opportunity [for students] to contribute in a positive way to the local community, engage with the older generation, and gain important leadership and communication skills."

##### The Grateful Games

Last term, we (the Grade 6s) went to Warrnambool for the Young Leaders Congress. The organisers of the congress informed us that our next step was to create a project to help improve the mental health and wellbeing of our community back at school. We decided to make our project about gratitude and call it 'The Grateful Games'. Our goal is to share five-minute gratitude games that are fun and interesting. Here are this week's games to choose from:

1. "Gratitude Groove": Put on a favourite song and while it plays, everyone thinks of things they are grateful for. When the music stops, each person shares one thing.
2. "Paper Airplane Praises": Make paper airplanes. Before launching, write one thing you are grateful for on your plane.
3. "Footy Fun Gratitude": While taking turns kicking the footy, compliment the kicker on their skill and say one thing you are grateful for about them.

**Tree Planting Program:** Contact Sarah for a tree order form if you are interested.

Dry conditions are taking a toll on land livestock and the farming community. **Rural Financial Counselling Service** provide free confidential, independent support for farmers across Western Victoria. If you are feeling the strain, please don't hesitate to reach out. Call 1300 735 578.

## 2025-2026 grant application deadline looms

Applications close on Monday 26 May. Residents are encouraged to call Council before preparing their application to make sure they apply for the appropriate program and have the best chance of success.

The **Community Grants Program** offers up to \$2,000 to groups operating in the Corangamite Shire for:

- development of new community, leisure, cultural or recreational programs;
- community projects, activities or events;
- workshops, planning activities (e.g. business or project plan); or
- purchase of equipment.

**Facility Grants Program:** up to \$2,000 (on a dollar-for-dollar basis and in-kind) to Committees of Management and clubs or organisations whose primary function is to help with facility improvements or equipment.

**Environment Support Grants Program:** up to \$3,000 (on a dollar-for-dollar basis) for groups, organisations and individuals to undertake environment and sustainability projects in the Shire. This could include projects related to climate change, sustainable agriculture and installation of energy and water-saving items at community facilities.

**Events & Festivals Grants Program:** (up to \$7,000 inclusive of grant and in-kind for signature events; up to \$3,000 inclusive of grant and in-kind for local events) supports events that increase visitation and economy.

**Enabling Grants Program:** up to \$5,000 to assist groups to develop 'shovel-ready projects'. These grants can pay for business case preparation, scoping, community consultation, plans and drawings, permits and approvals or engagement of professional grant-writing or other assistance to secure project funding.

Council also administers two grants programs funded by Berrybank Wind Farm. They are open to groups and individuals acting on behalf of their community, for projects within 75km of the wind farm and in the Shire.

**Berrybank Wind Farm Leverage Grants Program:** up to \$25,000 for larger community projects.

*These may be combined with other funding or used to leverage additional funding from other grant funding bodies, including government, and may be acquitted up to three years after being awarded. Applicants may apply for annual funding over a number of years to fund large scale projects delivering significant benefits to local communities.*

**Berrybank Wind Farm Project Grants Program:** up to \$10,000 for community, environment, facilities, events or other beneficial projects. Applicants may apply for annual funding over two consecutive years for larger projects.

Guidelines, application forms and acquittal forms are available at [corangamite.vic.gov.au/grants](http://corangamite.vic.gov.au/grants) and hard copies on request, or from the Civic Centre at 181 Manifold Street, Camperdown.

For more information, call Council on 5593 7100 or go to [corangamite.vic.gov.au/grants](http://corangamite.vic.gov.au/grants)
